3 Way Taps

Introducing CUMULUS and VAPOR, two distinctive tap ranges that combine striking design with reliable everyday performance. While CUMULUS offers a more classic, substantial feel and VAPOR a sleek, modern look, both share the same high-quality engineering. Available in chrome, brushed nickel, and antique brass finishes, they feature high flow capability, smooth quarter-turn ceramic valves, and a dedicated pathway for filtered drinking water. Designed for durability with corrosion-resistant finishes and backed by a 5-year warranty (terms and conditions apply), both ranges deliver style and practicality in equal measure.

Features

- High flow capability
- Min pressure 0.3 bar
- Quarter turn ceramic valve
- Single flow
- Dedicated path for drinking/filtered water
- Popular 3 lever design
- Corrosion resistant coating (Antique Brass and Brushed Nickel)
- 3 stunning finishes
- **5 year warranty (Ts and Cs apply)**

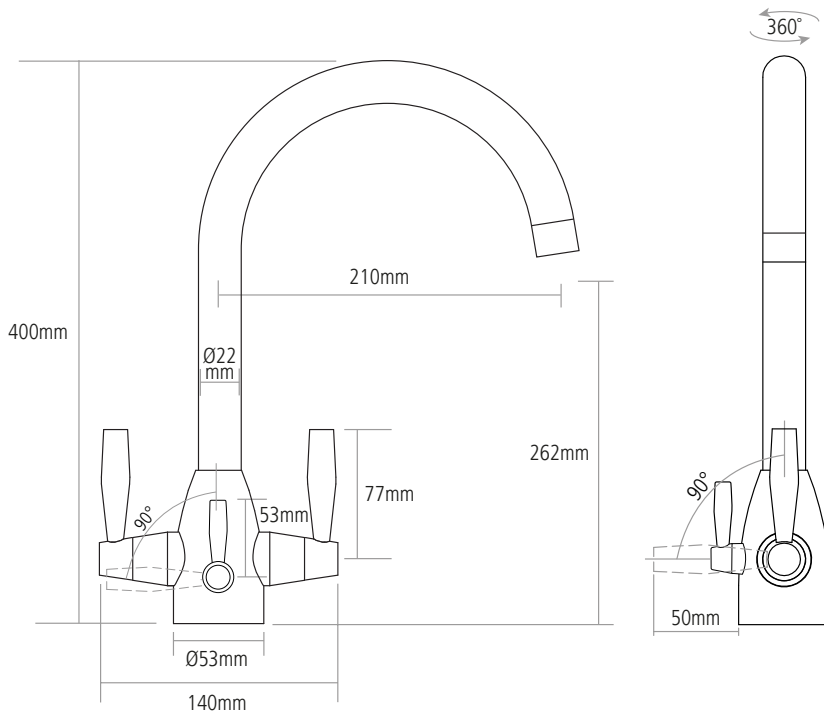

APL Vapor

Ultra modern design, perfect in classic or new style kitchens.

Worktop cut-out 35mm required

APL Cirrus

Contemporary high quality styling with chrome finish. Perfect in new or old style kitchens.

CODE	DESCRIPTION
B430	APL Cirrus (Chrome)

APL Stratus

A modern version of a stylish past era, but with a 3 way tap. Highly finished in chrome. Perfect for shaker or cottage style kitchens.

CODE	DESCRIPTION
B431	APL Stratus (Chrome)

Ultra-32 3 Way Tap

Benefits

- The faucet body is made of high quality brass with chrome finish.
- Classic faucet design, the high spout provides maximum comfort; it has a turning radius of 360°.
- High quality Neoperl aerator. Unique aerator with differentiated faucet and drinking water flow. Drinking water flows through a separate brass tube and runs through a separate aerator opening.
- 35mm ceramic cartridge for mixing cold and hot water and a 90° ceramic valve for drinking water.
- High-quality components perform well in a variety of conditions, like contaminated water and unstable temperature pressure.
- Comes with a 1/4" tube adaptor so easily adapts to your current under sink filter or filter kit.

CODE	DESCRIPTION
B434	Ultra-32 3 Way Tap (Chrome)

Abode 3 Way Taps

Multi award winning Abode Aquifier filtered water solutions for you and your family delivering fresh filtered water at the push of a handle, the Abode collection has a variety of contemporary and classic styles to choose from.

All are made for the UK market so are suitable for both vented and unvented water systems and are supplied with all the fittings suitable for connection to 15mm. Filter connection is 1/4" but supplied with fittings for both 1/4" and 3/8" tube.

CODE	DESCRIPTION
B432	APL Anvil HotTap set in chrome (includes filter system)
F432	Replacement Filter for Anvil Hot Tap

Features and Benefits

- Fully WRAS approved and complies with NHBC building regulations.
- Delivers hot and cold water with the additional function of supplying 98°C filtered, boiling water.
- Bespoke filter provides scale protection for boiler and tap, as well as carbon filtration for premium tasting water.
- Safety button located on the boiling handle that needs to be pressed to activate the boiling water function.
- Temperature settings can be adjusted between 75°C-98°C.
- 2.4 litre capacity, holding enough water for 8 cups of tea or coffee at a time.
- Heat insulation technology - keeps the spout cool to the touch.
- Neoperl aerator - creates a soft, splash-free flow of water.
- 5-6 minute re-boil time.
- Neatly sized tank (230w x 230d x 310h).
- 5 Year Warranty* on the tap and 2 years* on the boiler.

**Terms & Conditions apply*

Standalone Drinking Taps

APL Intertap

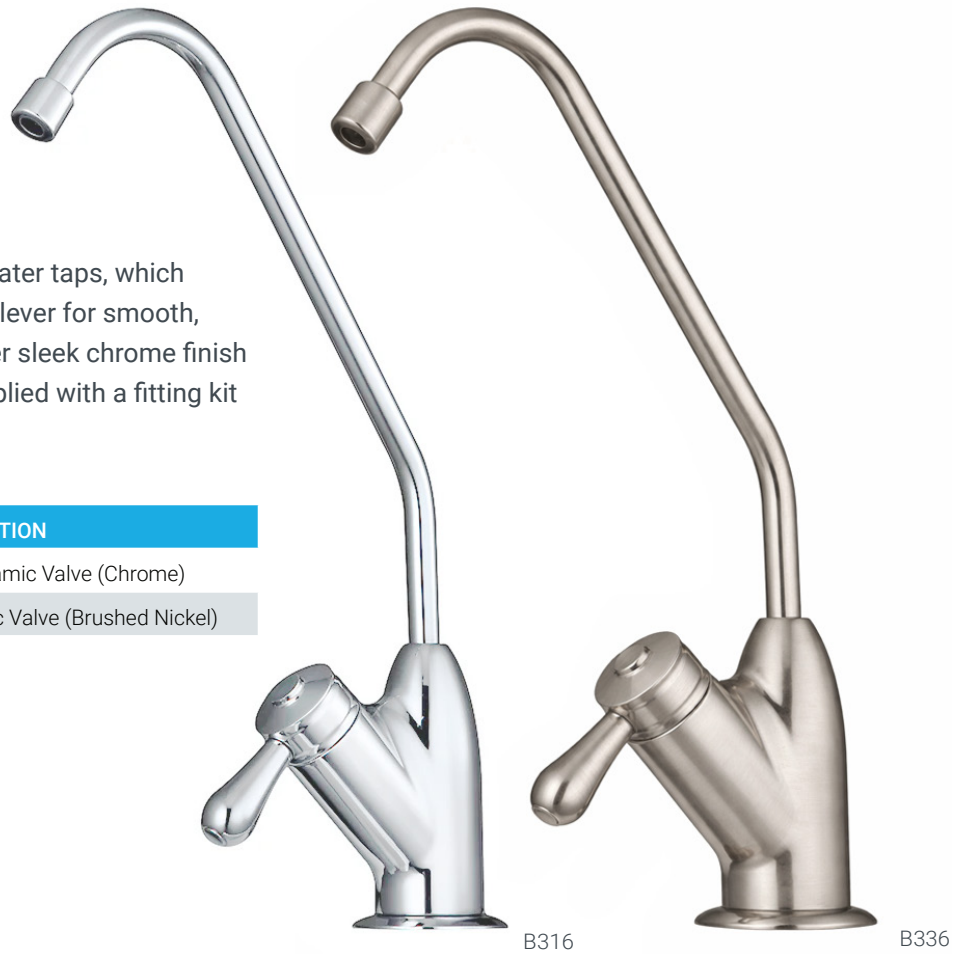

The Intertap is a sleek, modern filter tap designed with a polished chrome finish. Featuring precision engineering, it provides a smooth, controlled pour and is compatible with various filtration systems. It's durable design combines style and functionality, making it the perfect addition to any kitchen.

Optional Lower Body
Has a smaller diameter for tight corners and also allows longer stud for thick worktops.

CODE	DESCRIPTION
B20	APL Intertap (Chrome)
B20BN	APL Intertap (Brushed Nickel)

Long Reach Taps

Long reach point of use drinking water taps, which feature a ceramic valve and single lever for smooth, simple operation. Available in either sleek chrome finish or brushed nickel finish and is supplied with a fitting kit for easy install.

CODE	DESCRIPTION
